

Project Design Phase

Problem – Solution Fit Template

Date	29 June 2026
Project Name	Cosmetic Insights: Navigating Cosmetic Trends and consumer Insights with Tableau

Problem – Solution Fit Template:

The Problem-Solution Fit simply means that you have found a problem with your customer and that the solution you have realized for it actually solves the customer's problem. It helps entrepreneurs, marketers and corporate innovators identify behavioral patterns and recognize what would work and why

Purpose:

- ☐ Solve complex problems in a way that fits the state of your customers.
- ☐ Succeed faster and increase your solution adoption by tapping into existing mediums and channels of behavior.
- ☐ Sharpen your communication and marketing strategy with the right triggers and messaging.
- ☐ Increase touch-points with your company by finding the right problem-behavior fit and building trust by solving frequent annoyances, or urgent or costly problems.
- ☐ Understand the existing situation in order to improve it for your target group.

Purpose / Vision

Define CS, fit into CC 1. CUSTOMER SEGMENT(S) CS Who is your customer? i.e. working parents of 0-5 y.o. kids Young adults mostly women with skin concerns like acne, dullness or dry skin looking for affordable and effective skincare products	Focus on J&P, tap into BE, understand RC 6. CUSTOMER CONSTRAINTS CC What constraints prevent your customers from taking action or limit their choices of solutions? i.e. spending power, budget, no cash, network connection, available devices. - Budget - Skin sensitivity - Online Product availability	Explore AS, differentiate 5. AVAILABLE SOLUTIONS AS Which solutions are available to the customers when they face the problem or need to get the job done? What have they tried in the past? What pros & cons do these solutions have? i.e. pen and paper is an alternative to digital retasking - Visiting a dermatologist - Using DIY/home remedies - Buying popular products from ads
Identify strong TR & EM 2. JOBS-TO-BE-DONE / PROBLEMS J&P Which jobs-to-be-done (or problems) do you address for your customers? There could be more than one, explore different sides. - Finding Product that suit their Specific skin type - Avoiding allergens or harsh ingredients - Choosing product with a good to effectiveness ratio	Extract online & offline CH of BE 9. PROBLEM ROOT CAUSE RC What is the real reason that this problem exists? What is the back story behind the need to do this job? i.e. customers have to do it because of the change in regulations. Many Customers don't understand which ingredients suit their skin type or concern- leading to poor product choices	Focus on J&P, tap into BE, understand RC 7. BEHAVIOUR BE What does your customer do to address the problem and get the job done? i.e. directly related: find the right solar panel installer, calculate usage and benefits; indirectly associated: customers spend free time on volunteering work (i.e. Greengrass) - Researching ingredients - Filtering products by skin concern - Reading online reviews and ratings
Identify strong TR & EM 3. TRIGGERS TR What triggers customers to act? i.e. seeing their neighbour installing solar panels, reading about a more efficient solution in the news. Seeing a friend or influencer use a product Reading reviews or dermatologist advice	Extract online & offline CH of BE 10. YOUR SOLUTION SL If you are working on an existing business, write down your current solution first, fit in the canvas, and check how much it fits reality. If you are working on a new business proposition, then keep it blank until you fill in the canvas and come up with a solution that fits within customer limitations, address a genuine and relevant customer need/wish. A recommendation engine or platform that helps users select cosmetic products tailored to their skin type, concerns.	Extract online & offline CH of BE 8. CHANNELS of BEHAVIOUR CH 8.1 ONLINE What kind of actions do customers take online? Extract online channels from #7 Browsing product listings 8.2 OFFLINE What kind of actions do customers take offline? Extract offline channels from #7 and use them for customer development. Visiting cosmetic stores and Asking friends
